LOCAL AND STATE LEGISLATORS WILL VISIT COMMUNITY PRIDE GATEWAY CENTER TO “PICTURE THE FUTURE” WITH PRESCHOOLERS *Event to highlight quality Universal Pre-Kindergarten programs*

On Wednesday, November 28, Community Pride Gateway Center will welcome local and state legislators for a career day presentation as part of a statewide campaign called “Picture the Future.” During the presentation, preschoolers will share their drawings that show what they want to be when they grow up.

All across Florida this month, more than 15,000 preschoolers enrolled in pre-K programs are participating in “Picture the Future” to share their artwork with legislators and business leaders to show what they have learned about various careers.

Research shows these preschoolers are more likely to achieve their career goals if they attend a high quality pre-K program that employs teachers with college degrees.

Community Pride Gateway Center has been chosen as one of only ten centers in the state and the only center in Pinellas County to showcase this event. We feel very honored to be chosen and request your presence as a child advocate and supporter of Community Pride.
